**RE: Case 17-F-0595
Watkins Glen Solar Energy Center, LLC
Watkins Glen Solar Energy Center Project
Town of Dix, Schuyler County, New York
Information Request**

To Whom It May Concern:

Watkins Glen Solar Energy Center, LLC is proposing the development of a solar energy center in the Town of Dix in Schuyler County, New York. Watkins Glen Solar Energy Center, LLC plans to submit an application to the NYS Board on Electric Generation Siting and the Environment in pursuit of a Certificate of Environmental Compatibility and Public Need to construct the Watkins Glen Solar Energy Center Project (the Project) under Article 10 of the Public Service Law (PSL).

TRC, on behalf of Watkins Glen Solar Energy Center, LLC, is requesting groundwater well information for the area outlined in the enclosed shapefiles. More specifically, we request the location, construction logs, depths, and descriptions of encountered bedrock for groundwater wells within the indicated areas in Schuyler County, New York for which the Department has record information. TRC respectfully submits this Freedom of Information Request to obtain this information.

The enclosed shapefile package has been provided to assist in your review of the Project boundaries and outline the area requested for groundwater well information. Please note, this information request is being made in order to help prepare the Article 10 Application.

If you have any questions regarding the Project or the request herein, please contact me at TRC by calling (315) 715-1642 or via email at HEffler@TRCcompanies.com.

Sincerely,

Dear Ms. Effler:

This will acknowledge receipt of your request for records under the Freedom of Information Law, received by this office on March 2, 2020.

Your request has been forwarded to the appropriate Department program area(s) to identify documents that are responsive to your request and which may be made available pursuant to all applicable provisions of the Freedom of Information Law.

A determination as to whether your request is granted or denied will be reached in approximately 20 business days or we will notify you in writing if the responsible program area(s) should require additional time to locate, assemble, and review documents that may be responsive to your request.

Please note that, pursuant to Article 6 of the Public Officers Law, a charge may be applied to your request, including the actual cost of the medium used to respond to your Freedom of Information Law request and/or other related costs. When responsive records have been identified, you will be informed of any cost and how payment should be made.

Sincerely,

Rosemarie Hewig, Esq.

Greetings All,

Attached are the public water supply data sheets for the Excelsior and Trelina proposals. Our staff reports that there are no public water sources within a mile of the Watkins Glen proposal.

Please note that data regarding private water wells is maintained by the Department of Environmental Conservation. A separate inquiry will need to be submitted to them for that information, which may be critical in the event that blasting is needed.

I hope this finds you all in good health. Have a good weekend.

Regards,

Dear Mr. Verrigni:

Watkins Glen Solar Energy Center, LLC is proposing the development of a solar energy center in the Town of Dix in Schuyler County, New York. Watkins Glen Solar Energy Center, LLC plans to submit an application to the NYS Board on Electric Generation Siting and the Environment in pursuit of a Certificate of Environmental Compatibility and Public Need to construct the Watkins Glen Solar Energy Center (the Project) under Article 10 of the Public Service Law (PSL).

Proposed is the construction of a 50-megawatt solar photovoltaic system on land leased from a private landowner. The Project will be adjacent to the Watkins Glen International racetrack known as "The Glen" and its location is illustrated on the attached map (Figure 1). Proposed components will include commercial-scale solar arrays, access roads, electric collection lines, a collection substation, and a point of interconnection switchyard. The Project is scheduled to commence construction early 2022. Additional information about the Project can be found on the Project website at www.watkinsglensolarenergycenter.com.

TRC, on behalf of Watkins Glen Solar Energy Center, LLC, is requesting groundwater well information for the area outlined in the enclosed shapefiles. More specifically, we request the location, construction logs, depths, and descriptions of encountered bedrock for groundwater wells within the indicated areas in Schuyler County. The enclosed shapefile package has been provided to assist in your review of the Project Study Area and outline the area requested for groundwater well information.
