Private Water Well Survey Questionnaire**

Dear [NAME],

Watkins Glen Solar Energy Center, LLC is proposing the development of a 50-megawatt solar energy project (the Watkins Glen Solar Energy Center) in the Town of Dix, Schuyler County, New York. Project facilities will include commercial-scale solar arrays, an energy storage system, access roads, buried (and possibly overhead) electric collection lines, a collection substation, and electrical interconnection facilities. The proposed collection substation and interconnection facilities will be located on land south of the solar arrays within the Project Area, adjacent to the existing New York State Electric and Gas (NYSEG) Bath – Montour Falls 115 kV transmission line.

On behalf of Watkins Glen Solar Energy Center, LLC, TRC is gathering information regarding private water wells as part of the environmental review process under Article 10 of the Public Service Law (PSL; §164 (1)). A Preliminary Scoping Statement (PSS) was submitted in September 2019 and can be found on the Project website at www.watkinsglensolarenergycenter.com.

This private water well survey questionnaire is being sent out at the request of the New York Department of Public Service (DPS) to multiple landowners in order to gain additional information regarding private wells, such as depth, well construction, approximate yield, etc. in the area of the proposed solar energy project. Schuyler County public records has identified you as the primary contact for the parcel(s) identified on the attached survey questionnaire(s).

Please complete the survey(s) included within this package to help accurately identify water wells on your property. A postage paid return envelope is included for your convenience. Please fill out and mail no later than [DATE].

More information about the project can be found on the Project website at www.watkinsglensolarenergycenter.com and hard copies of Project-related materials can be found at:

- Town of Dix Town Hall, 304 7th Street, Watkins Glen, NY 14891
- Watkins Glen Public Library, 610 South Decatur Street, Watkins Glen, NY 14891

You are also invited to join the stakeholder list. Members of the Watkins Glen Solar Energy Center stakeholder list will receive important project materials and notice of project milestones. If you have not done so already, you can join the stakeholder list by:

- Calling (800) 379-3841
- Mailing a letter to:

Mr. Michael Dowling – Watkins Glen Solar Energy Center
700 Universe Blvd, E5E
Juno Beach, FL 33408

- Sending an email to info@watkinsglensolarenergycenter.com with the subject line “Watkins Glen Solar Energy Center Stakeholder List”
- Filling out the form at <https://www.watkinsglensolarenergycenter.com/join-the-stakeholder-list/>

If you have any questions regarding the Watkins Glen Solar Energy Center Project or the request herein, please contact me at TRC by calling (315) 362-2415 or via email at SKranes@TRCcompanies.com. Thank you for your time and attention to this request.

Sincerely,

Samantha Kranes
Senior Project Manager, TRC
