## **Exhibit 14: Cost of Facilities**

This Exhibit will track the requirements of Stipulation 14, dated February 21, 2020, and therefore, the requirements of 16 New York Codes, Rules and Regulations (NYCRR) § 1001.14.

### **14(a) Total Capital Costs**

The estimated total capital costs of the Watkins Glen Solar Energy Center (the Watkins Glen Solar Energy Center or the Project) are detailed in Appendix 14-1. The estimate includes costs associated with the development and permitting of the Project, as well as the cost of the commercial-scale solar arrays, the equipment and engineering, and other costs associated with interconnecting the Project to the New York power grid. This information is proprietary; therefore, the Watkins Glen Solar Energy Center, LLC (the Applicant) is seeking the requisite trade secret and confidential commercial information protection pursuant to Public Officers Law (POL) Section 87(2)(d) and 16 NYCRR § 6-1.3.

### **14(b) Source of Capital Cost Estimates**

Information provided in the estimate are based on the Applicant's knowledge of the solar energy industry and experience in developing and constructing solar energy projects in the United States as well as estimated prices from third-party vendors associated with the various solar energy Project Components, all in current United States dollars.

### **14(c) Work Papers**

Upon the demand of any party or the New York State Department of Public Service, the Applicant shall supply the work papers from which the estimates required by subdivision 14(a) of this Exhibit were made, provided that demand is made in the form of a written request. As this information is proprietary, it is typically treated as trade secret confidential commercial information. Therefore, the Applicant will seek the requisite trade secret confidential commercial information protection for this information pursuant to POL Section 87(2)(d) and 16 NYCRR § 6-1.3.
